Past Partners Include:

Organised by:

Australia's Most Popular **Women In Health & Safety** Event Returns!

The **Women in Health & Safety Summit** returns to deliver the technical expertise and career tools needed to thrive. The event brings together key decision makers alongside current and emerging leaders from a range of public and private sector organisations throughout Australia.

The event delivers insights and solutions that attendees can use to elevate their processes, improve safety outcomes, and benefit their organisations.

This is a carefully curated event that will develop technical, technological, business and leadership skills while also keeping attendees on top of the latest developments in health & safety.

Attendees will come together with their peers in from across Australia to share knowledge, find solutions to their problems, network, and make invaluable new relationships, all in an inclusive and supportive environment.

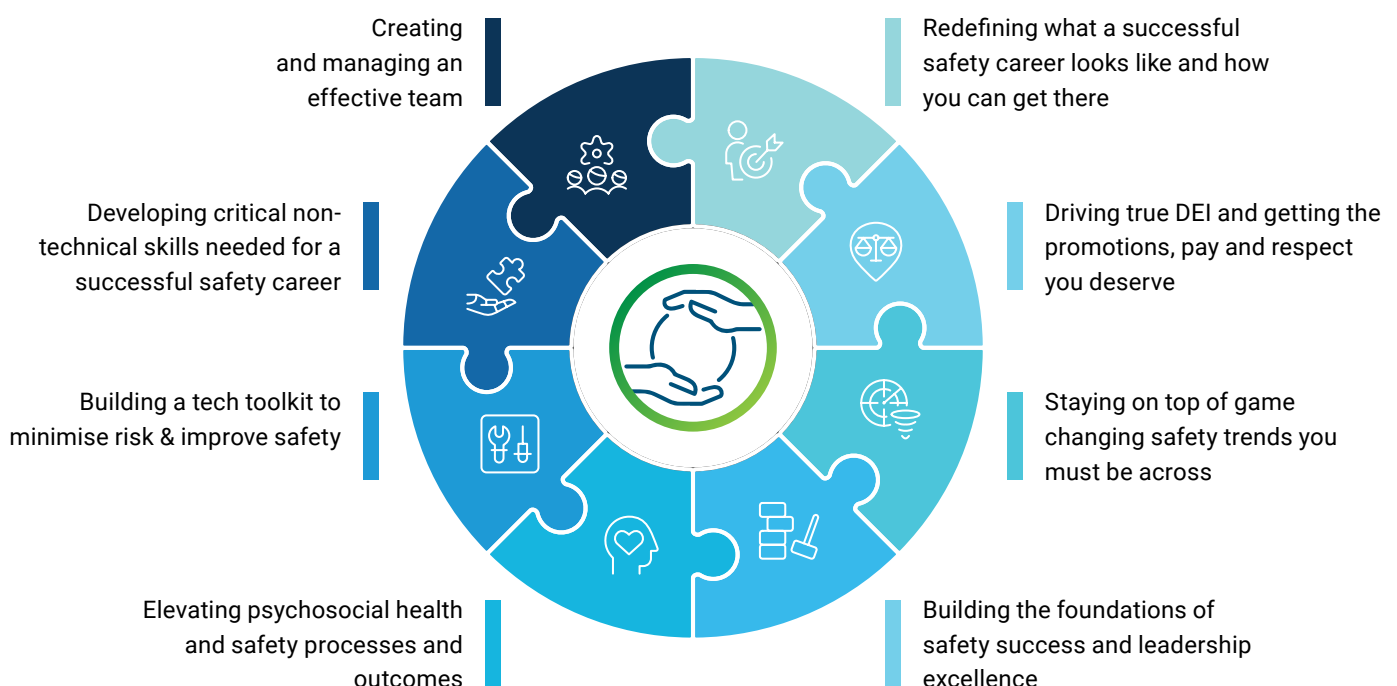

WHO YOU'LL MEET

The **Women in Health & Safety Summit** is designed for emerging and current leaders in a role involving anything to do with health, safety and environment. These decision makers will come from a wide range of industries and the public sector to find solutions to the workplace, health & safety challenges they're facing.

Job titles will include, but are not limited to, functions such as:

- HSE, EHS, OHS, and WHS
- Mental Health, Wellbeing & Psychosocial Safety
- Injury Management & Return to Work
- Safety Risk & Compliance
- Safety Training
- Occupational Hygiene
- Ergonomics

“A successful event that invigorated inspiration, motivation and determination for the development, advancement and impact of more women into the field of Health and Safety within Australia.”

Supervisor, BHP (past attendee)

WHY LEADERS AND DECISION MAKERS WILL BE AT THE WOMEN IN HEALTH & SAFETY SUMMIT 2025

- 1 Move your career & organisation forward with the premier event for women in health & safety
- 2 Develop skills like leadership, communication, change management, conflict resolution & collaboration
- 3 Learn how to secure the promotions, pay & respect you deserve
- 4 Discover how to navigate critical safety trends & new regulatory developments
- 5 Drive diversity in challenging times by learning how to address resistance, strengthen credibility, & maintain progress
- 6 Develop a tech toolkit to master digital safety & injury management, leverage data, and maximise AI & automation
- 7 Learn how to conduct psychosocial risk assessments and design mental health & stress management programs
- 8 Expand your network with authentic and accomplished leaders who can support your professional growth

WHO SHOULD PARTNER?

If you have an innovative or market leading product, solution or service related to health and safety, the **Women in Health & Safety Summit 2025** needs to be a part of your sales and marketing campaign.

This is your chance to meet key health & safety decision makers from a range of public and private sector organisations throughout Australia who will gather to find solutions to minimise risk while enhancing health and safety outcomes. This is also an opportunity for organisations to demonstrate their commitment to diversity as an employer of choice for health & safety professionals.

This event is for you if you have a product, solution or service related to any area of health and safety, including:

Safety Technology & Software

- Safety, compliance & risk management
- Incident reporting
- Fatigue & worker monitoring
- Injury management

Personal Protective Equipment (PPE)

- Safety helmets, gloves & footwear
- High-visibility clothing
- Respirators, masks & eyewear
- Hearing protection

Workplace & Site Safety

- Fall protection, guarding & barriers
- Ergonomic supports
- Site security and access control
- Industrial cleaning

Emergency & Medical Equipment

- First aid kits and supplies
- Defibrillators (AEDs)
- Emergency response planning
- Emergency stations & equipment

Environmental, Health & Safety Solutions

- Environmental risk assessments
- Waste management
- Hazardous materials management
- Air quality monitoring Occupational

Health & Wellbeing

- Workplace mental health support
- Employee Assistance Programs (EAP)
- Occupational health screening
- Physiotherapy and injury prevention

Consultancy & Training Services

- Workers compensation insurance
- Legal services & claims management
- Safety training & certification
- Safety audits & compliance assessments
- ...and any other health and safety product, solution or service

I felt empowered and encouraged to take on tasks that previously would have been daunting to me. ”

Health and Safety Specialist, LifeFlight
(past attendee)

Great line up of speakers & extremely professional. Inspiring, motivational, inclusive. ”

Senior WHS Advisor, Georges River Council (past attendee)

WHY PARTNER?

The event offers numerous opportunities for sponsors to network, share their expertise, and build their reputation while engaging with an enthusiastic and engaged audience of leaders and decision makers throughout the health & safety landscape. This is your chance to:

Raise your visibility and be recognised as an expert and leader in health & safety

The **Women in Health & Safety Summit 2025** positions your organisation as a thought leader in front of industry-recognised speakers as well as an inquisitive and influential audience of attendees.

Increase reach

Use ours! **Women in Health & Safety Summit 2025** marketing reaches over 10,000+ unique, targeted contacts – join our campaign early and benefit from 4+ months of brand awareness.

Meet the right people

With multiple networking opportunities across the 2 main conference days, you can expand your network and socialise with existing and prospective clients. We target the key influencers and decisionmakers and you grow your community through authentic, meaningful interactions across the event.

Launch new products or services

Showcase new and innovative products and services to an interested and influential audience of senior decision-makers actively seeking solutions.

Build your brand

The **Women in Health & Safety Summit 2025** offers brand recognition opportunities to position your company among the premier organisations within the health & safety field and as a supporter of diversity and inclusion. This is your opportunity to enhance your profile as a trusted brand and market leader in front of key decisionmakers from a wide range of organisations across Australia.

Through consultation with our in-house marketing strategists, we will tailor a plan to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one-on-one meetings, or a more social networking event.

If you'd like to become a partner at the **Women in Health & Safety Summit 2025**, download the sponsorship prospectus here or contact **Skyla Boer** on skylab@questevents.com.au or **+61 (0) 450 778 591** to discuss how we can help you connect with your ideal audience.

“The event was excellent, inspiring, empowering, and energetic.”

Managing Consultant, Prensa (past attendee)

“Invigorating, thought provoking and inspiring.”

Safety Systems and Compliance Coordinator, Glencore (past attendee)
